April 9, 1925.

Mrs. Mary Greene Wilson,
Douglasville, Texas.

Dear Cousin;

Your letter of April 7th. came to hand this morning. Durward left today, at noon, for New Orleans to attend the American Cotton Manufacturers Asso. I regret that he could not go farther but he had to return home next Wednesday as I have to make a trip, at that time, to Florida for a little vacation.

I have read your letter very carefully but will not take time to reply in detail, will try and do so during the coming week, before I leave for my vacation.

Hurridly,

JCC:C
